There's a better book, and it can change anyone's life when they fall in love with its Author, the God of grace. When we take God's Word seriously and let it become part of every stage in life, we become complete and mature as God's people. We'll not be perfect until heaven, but we can grow proficient and productive in our walk with Him. As we read His Word, we fall in love with Him who gave it to us, and as our personal relationship grows, we grow.

Allow God's Word to be your guide so your walk with Him will be complete. Fall in love with the Bible and its divine Author, and you'll live in abundant daily grace this year.

Nothing less than a whole Bible can make a whole Christian.
