Devotion: "Ask", Matthew 7:7, James 4:3

When asking from God, we need to have humility and ask God for all things. This should be basic for all Christians. We should not ask from wrong motives or fleshly desires. After asking, we need to put feet to our prayers by seeking and working. If you ask, you should be willing to seek and work for it.

People of God: Part 2

What behavior should accompany those who profess to be God's people? The purported answers puzzle the world. These varied behaviors can be confusing.

We must begin with the premise that the people of God are filled with the Holy Spirit. John 14:16-17 describes the Holy Spirit's presence within the believer. The Holy Spirit does not dwell within those who habitually exhibit worldly behavior. Romans 8:9 explicitly states that if the Holy Spirit is not leading or guiding you from within, you are not a part of the people of God.

The Fruit of the Spirit is described in Galatians 5:22-23. The first fruit is "love". Every person of God will possess love for others. They will have compassion for those lost in sin and a deep desire to see them saved. They will love their fellow Christians. This love will be genuine. It will originate from the Holy Spirit that is inside us. The Holy Spirit transforms over time those who were once lost into people of holiness. This is known as sanctification. Justification describes how we are reconciled to God, and it serves as the essential underpinning to the Fruits of the Spirit.

While love may be first in the listing, it is by no means something that is fully realized quickly. Our fleshly desire can make it difficult to fully experience the beauty of loving those around us. Jesus told us to "love one another". He issued that as a command in John 13:34, *"I am giving you a new commandment, that you love one another; just as I have loved you, that you also love one another."* We will look more closely at the traits of love and then continue the Fruits of the Spirit.

Music Notes

What a wonderful time we are having during our worship services as we sing praises and actively participate in worship of our Lord and Savior. Without a doubt, we believe that we were created to worship and that we should reflect the glory of God in all aspects of our lives.

Our worship time together is critical in our walk with Christ Jesus. We should always strive to direct our hearts and voices to God worshiping Him for who He truly is. We seek to worship Him for what He has done and what He continues to do in our lives.

Whether you participate in worship from your seat in the congregation or from the choir loft, I want to encourage you to continue lifting your voices in true worship here at Unaka Avenue Baptist Church.

The Celebration Choir is taking a short break from Sunday night rehearsals; however, they will continue to lead worship from the choir loft each Sunday morning. Sunday night rehearsals will resume again in mid-August.

With the summer season comes new opportunities for you to join us as members of our music ministry team. Participating with the Celebration Choir is easy! Simply join us in the choir loft prior to our worship time every Sunday morning. We would love to have you participate with us. Come and Join us!
