Sermon Notes

Reformation Day

Over 500 years ago on October 31st, a man named Martin Luther, a little-known monk, posted his 95 Theses on the Wittenberg Church door, and sparked a flame that would reverberate across world history. Luther's simple discovery, that we are saved by Jesus because of His righteousness and not our own, ended up not only changing the structure of the church going forward, but also had an incredible impact on the world for generations to come.

Because of his bravery and God-given convictions, we now have Bibles to call our own!

For everyone has sinned;
we all fall short of God's
glorious standard. Yet
God, in his grace, freely
makes us right in his
sight. He did this through
Christ Jesus when he
freed us from the penalty
for our sins.
Romans 3:23-24 NLT
