“Picture our lives being a power strip. We plug so many things into the power strip - work, family, hobbies and God,” she analogized. “But that is all wrong. God must be the power strip and everything in our life should be plugged into Him as our power source. He gives us life, and then we have His power in everything we do.” “He shouldn’t be one of the ‘plug-ins’ in our life, but rather we should live plugged into Him and the calling He has for us.”

~Lynsi Snyder, Owner, In-N-Out Burger

***Don’t forget this is tax-free weekend, Fri., July 31 - Sun., Aug. 2. This would be a great time to purchase school supplies for “Christmas in August” mission project at the JC Baptist Center!**

Johnson City Baptist Center, on Hopson Steet, needs school and hygiene supplies for ministering to the Tyler school children and families. The list will be posted on the Welcome Center bulletin board, on the bulletin board adjacent to the library and as a bulletin insert.

Supplies extra info: 10 - pack of washable markers; bound notebooks, no wire spirals; 16 - pack crayons; black or blue pens only. Thank you for helping these children get a good start to the school year!
